TABLE START - Each numbered record must stay in a single table row.

Record	Service description	Amount
ROW-01-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-01-END	\$17.00
ROW-02-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-02-END	\$34.00
ROW-03-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-03-END	\$51.00
ROW-04-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-04-END	\$68.00
ROW-05-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-05-END	\$85.00
ROW-06-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-06-END	\$102.00

Record	Service description	Amount
ROW-07-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-07-END	\$119.00
ROW-08-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-08-END	\$136.00
ROW-09-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-09-END	\$153.00
ROW-10-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-10-END	\$170.00
ROW-11-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-11-END	\$187.00
ROW-12-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-12-END	\$204.00

Record	Service description	Amount
ROW-13-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-13-END	\$221.00
ROW-14-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-14-END	\$238.00
ROW-15-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-15-END	\$255.00
ROW-16-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-16-END	\$272.00
ROW-17-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-17-END	\$289.00
ROW-18-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-18-END	\$306.00

Record	Service description	Amount
ROW-19-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-19-END	\$323.00
ROW-20-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-20-END	\$340.00
ROW-21-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-21-END	\$357.00
ROW-22-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-22-END	\$374.00
ROW-23-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-23-END	\$391.00
ROW-24-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-24-END	\$408.00

Record	Service description	Amount
ROW-25-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-25-END	\$425.00
ROW-26-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-26-END	\$442.00
ROW-27-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-27-END	\$459.00
ROW-28-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-28-END	\$476.00
ROW-29-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-29-END	\$493.00
ROW-30-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-30-END	\$510.00

Record	Service description	Amount
ROW-31-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-31-END	\$527.00
ROW-32-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-32-END	\$544.00
ROW-33-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-33-END	\$561.00
ROW-34-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-34-END	\$578.00
ROW-35-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-35-END	\$595.00
ROW-36-START	Inspect the workspace, record the equipment condition, and confirm the delivery date. This longer cell should wrap inside its column. ROW-36-END	\$612.00

TABLE END - Thirty-six complete records.
